IT'S

ALL ABOUT AMY...

WE CAUGHT UP WITH ALT GIRL AMY LEWIS

Name: Amy Lewis

Age: 23

Location: New Forest, Southampton

Photographer: Gemma Edwards

Hi, welcome to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry:

I'm Amy Lewis, from a tiny village on the outskirts of the New Forest. It's my birthday this week so any presents are welcome. I love pop punk, Mexican food and large quantities of Amaretto. I sent photos to FRONT mags DIY Alt Girl section back in 2009 and it just went from there really.

How would you describe your style? Pretty standard really... jeans, Vans and the first top that comes out of my cupboard. I do like dressing up though, so when I go out I like skirts, croptops and a good pair of heels.

Photographer: Gemma Edwards

**WHAT IS THE NAUGHTIEST THING YOU DO? PROBABLY
GETTING MY BOOBS OUT ON THE INTERNET.**

What was it like to work with the photographer on this shoot? Gemma was incredible, made me feel really at ease and she really knows what she's doing.

What was your favourite part of the shoot? All of it! I hadn't done a shoot in a while so it felt good to get back in front of the camera and like I said it was great working with Gemma.

WHAT'S YOUR FAVOURITE FANCY DRESS OUTFIT? I DRESSED UP AS ARIEL THE LITTLE MERMAID FOR NYE, THAT WAS PRETTY AC

Outside of modelling, do you have any other passions? I don't know whether I'd call it a passion but most of my free time/money is spent on gigs! I've already been to 3 this year and I still have 2 festivals and 5 other gigs lined up.

If you could be one person for the day, who would you be and why? Probably Rosie Huntington-Whitley, just to be her, absolutely no other reason. Or Chris Robshaw, captain of the England rugby team. Then I could actually play rugby for once and get to go in the changing rooms after :)

If you could be in charge of Elite for one week, what would you do? Get all the girls together for a giant Elite party and shoot! So many girls on one page!

If you could be a superhero, who would you be and why? Violet from the *Incredibles*! She's ace and gets to be invisible, and my family pretty much all look like the *Incredibles* anyway! Haha.

What's your favourite film? I don't think I can pick just one! It would have to be Harry Potter 3 or The Little Mermaid.

Do you have any crazy phobias? The dentist. I don't know whether it's a full blown phobia but just sitting in the waiting room makes me nauseous!

So how can a guy impress you? Make me laugh and not try too hard. A couple of tattoos and over 6 foot wouldn't go a miss either.

What's a guaranteed turn on for you? A kiss on the neck always does it for me.

Finally, is there anything you would like to say to the Elite readers? Thank you for reading and hope you'll have me back soon :)

AMBER IS SIMPLY *Awesome*

WE CAUGHT UP WITH ELITE FAVOURITE AMBER BAMBI AND ASKED HER THE MOST PERSONAL INTERVIEW YET... SIMPLY AWESOME!

Hi! How is Amber Bambi today? It's snowing at this very second so I am super happy!

A swift drink might warm you up. What do you usually drink? I only drink Bacardi and coke. But if I'm feeling particularly wild we have Sambuca shots. But it's rare that I go out drinking really. People think I'm odd for going out to bars and clubs and staying sober most of the time.

What happens after all these shots? I'm a cuddler. This is why I don't drink much. Telling strangers that you love them and cuddling people you don't know isn't considered normal in most places.

Well seems pretty normal to me! Where do you like to P.A.R.T.Y. on a night out? I like Oceana in Leeds because there are different genres in different rooms. I love variety. Plus they sell popcorn and candy floss :)

Yack! Don't you sample the delicacies of the local kebab shops? Yes. Usually whilst waiting for a taxi. But not a kebab, eww! Just usually chicken and chips somewhere.

Do you prefer gigs or nightclubs? Hmm... I like bars with dance floors. I don't like rave type clubs.

Interview: Neale McGeever/ Photographer: Graeme Allon

You're from Bradford I believe, do you love being a Yorkshire lass? I do indeed. I don't know how people can live in places that don't have sprawling green hills and stunning walking trails.

So do you eat Yorkshire puddings? Obviously. They're amazing.

How does it feel to be in Elite Online? Feels great. I love the creative versatility of this publication and the variety of different and unconventional models Elite uses.

What do you look for in a man? Geeky types. I look at those guys with muscles and stuff and yeah I guess it looks nice in pictures and what not, but I bet they're riddled of STI's. Haha. I much prefer the smart and geeky types who will sit and watch *SyFy* with me and not take the mick when I watch *Star Trek*.

Really? I'll get my Starfleet uniform ready then! Do you have a celebrity crush? I don't have one. No famous guy has ever gotten with one of their fans or groupies as far as I'm aware. So I don't bother fancying them... But saying that Zac Efron does have a beautiful face.

What kind of guys do you avoid? Show offs. Really. It's desperate and annoying. And makes you look like an ass. I always gravitate towards the quiet ones.

**DESCRIBE YOUR PERFECT NIGHT IN? HOT
CHOCOLATE, A NICHOLAS SPARKS FILM,
CUDDLES ON THE SOFA, MAYBE A BUBBLE BATH.**

Have you always been this stunning? No! I was ugly as hell as an adolescent. I only did it because I was so shocked that someone wanted to take my picture. I used to get called Spongebob square face at school.

Well that's not very nice! Now you are a successful model: What would you say is your best feature? I'm going to say my teeth. Because I had braces on until this February. If I didn't love them it would have been 18 months wasted.

What does your tattoo [on your side] say? It's the last verse of the footprints in the sand poem. It means a lot to me.

Megan Fox has one similar! Would you be in transformers 4 if they asked? Yes, as long as I get to drive the fast cars about and do a fight scene :)

Your nickname is 'Bambi', is it because you're cute? It's always been my nickname. It's a common nickname for anyone called Amber. **Is that your favourite Disney film?** No my favourite is Beauty and the Beast!

Would it be weird if all your household objects came to life (like on Beauty and The Beast)? Nope. I'd love it. I wouldn't even find that odd. I watch far too much TV.

Baths better than showers ? Okay I do this weird thing I call a bath shower. I bathe in the bath. And then shower after. Is that a bit OCD.

Not really, best of both! Like the bread! Hang on I ask the questions! Where can your fans find out what you are doing next? You can get in touch on *Twitter* @missamberprice. Thanks for all the support!

Hi Dannii, welcome to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry: Hey! I'm Dannii B from the midlands! I got started in this industry when I was 18 doing little shoots now and again and I loved it! So about a year ago I decided to dedicate more time to modelling and here I am now :)

How would you describe your style? I would say I am your typical Alt glamour girl, and I love it!

What was it like to work with the photographer on this shoot? It was a last minute shoot, but it was awesome none the less, I got to meet some cool people and get some wicked pictures :)

What was your favourite part of the shoot? Meeting some rad people!

Photographer: Graeme Allon
MUA: Gemma Louisianna

Outside of modelling, do you have any other passions? I work for Monster energy so that is a big passion of mine, and i also help run a clothing company called 'Peaked Apparel'!

If you could be one person for the day, who would you be and why? Someone amazingly hot like Vikki Blows, just because... you know ;)

If you could be a superhero, who would you be and why? I'm gunna be really sad and say a superhero vampire from *Twilight* just because i love it :P

Where's the worst place you've been? I have no idea aha i try and avoid bad places!

WHY DO WE LOVE LISHA?

EASY! SHE'S SUPER HOT...

Hi, welcome to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry: I'm based in York after a brief spell of living down South! It's great to be back, and I'm finding that most of the best photographers are up North. I've been experimenting in the industry part-time for only around 2 years now, and recently starting to take it a little more seriously after joining an agency.

What was it like to work with the photographer on this shoot? It was fantastic! It was the second time working with the photographer so it was lovely and relaxed, however it was my first time using a MUA which turned out to be a lot of fun and she was great!

What was your favourite part of the shoot? Probably when we briefly managed to take over the music choice and enjoy some N'Sync ;)

Outside of modelling, do you have any other passions? House-hunting! I really should be an estate agent. I've moved 5 times in the past 6 years and I still enjoy getting to snoop around people's apartments when viewing places!

Name: Lisha Blackhurst

Age: 24

Location: York

Photographer: Graeme Allon

MUA: Lucy Westgarth

WHAT'S YOUR FAVOURITE RUDE WORD? FALAFEL? SERIOUSLY THOUGH, IT SOUNDS SO RUDE, HOW CAN IT NOT BE?

What's a guaranteed turn on for you? Height! I love a tall man. I'm only 5'6" but you'd be surprised how many men I tower over once the heels are on! And sometimes even when they aren't!

If you could have one superpower, what would it be? To stop time, and probably to speed it up too! I've been thinking about this a lot recently. When I'm in bed, I want to stop time and at work, I want to speed it up! Pretty sure this wouldn't make a very interesting action movie however...

If you could pick one celebrity to put on a stranded island to never be seen again, who would it be? Keith Lemon! Actually, forget the stranded island, I want to murder the man myself!

What's the worst idea you have ever had? Moving down South! However, it did make me appreciate being back I suppose. No regrets!

Interview: Neale McGeever
Photographer: Graeme Allon

Hi Alice, how're you today?
I'm awesome thank you :)

How does it feel to be in Elite Online? So cool, Thanks so much for having me!

This will be for our Boob Special! How does it feel to be included?
Pretty wicked! I'd suck at the bum issue, s'all about the titties!

Don't know about that! Do you agree you have an amazing rack? Hell yeah!

HOW BIG ARE THEY? REALLLL BIG! 28GG

Wow! Do you like to show them off?
Duh! Wouldn't you? ;)

Who (apart from yourself) has the best boobs...in the world? Hmm, this is difficult coz I like all sorts of boobies (except man tits). I think Arabella D has wicked boobies, So does Lora Leigh and hmm... that barmaid off corrie... Michelle Keegan!

Interview: Neale McGeever
Photographer: Graeme Allon

So is it safe to say the 3 best things to see in York are: York minster, then your tits? Haha probably, I'd just like to point out that I don't roam around town with my tits out haha... Well not on a week night... or sober for that matter!

In seriousness, where is your favourite place to go in York? In the summer I love hanging out in the minster gardens with a bottle of wine (probably disrespectful but shush). We also have a lush cocktail bar called Evil Eye, It's bloody lethal!

Do you think a bikini or a tight Pamela Anderson- esque swimsuit is the best way to show them off on the beach? Bikini all the way... don't want super dumbass tan lines!

Describe your favourite bra to us? ANYTHING by Agent Provocateur! Lacy and black is always the one!

Have you ever used your boobs/ cleavage to get your own way? God yeah! Super handy for getting out of trouble ;)

Have you ever done something weird with them like draw faces on the and talk to them , via the mirror? Haha erm no... but I do wake up on public transport cupping them frequently... guess it's better than the bloke next to me holding them huh?!

SO WHAT IS YOUR FAVOURITE WORDS FOR THEM? HMM, TITS, KNOCKERS, BOOBS, CUSHIONS!

**CAN YOU LICK YOUR
OWN NIPPLES?
HAHA... I MAY HAVE
TRIED BEFORE...
AND SUCCEEDED :)**

Interview: Neale McGeever
Photographer: Graeme Allon

Okay I suppose that would be weird, Do you ever wish you would be recognised for something else? Like your bum? Nah, I have a tiny BUT "cute" bum, I'm more than happy to be recognised for my boobs... would be pretty weird if I wasn't!

Ok, I will try to stop talking about your boobs now. You are a nail technician by day, would you rather have perfect nails or perfect boobs (shit! Did it again!) Deffo perfect boobs! I'd be lost without them... or resemble a boy which would fucking suck! No offence!

**DO YOU LIKE YOUR
BOOBS BEING
TOUCHED/SQUEEZED/
GRABBED? DEFFO!
ALL THREE! NOT BY
DIRTY OLD MEN OF
COURSE BUT HOT
GUYS AND GIRLS ON
THE OTHER HAND...**

Interview: Neale McGeever
Photographer: Graeme Allon

So to get away from your boobs, eventually, what is your favourite part of yourself? MY BOOBS! Nah I joke, my eyes :D

What kind of guy do you go for?

Not sure I really have a type as such but usually dark hair, dark eyes, NOT super clean cut!

Do you have a celebrity crush? Not really... but Bradley Cooper is HOT (I guess he's kinda clean cut but I can make an exception) Totally have a disgusting thing for Steven Tyler, I don't even want to discuss it aha!

Any tips for any female readers who want a perfect bust? NEVER get a boob job! They usually turn out shit and small boobs are sexy as fuck also! Most of my girl crushes have cute little boobs!

Sick of talking about your bosoms' yet? NEVER EVER!

Finally tell us your 5 juke box pick's: I've never even used a juke box so I'm just gonna tell you some songs... Maybe even albums that I'm loving right now, gotta love being a rebel eh!

ANYTHING SHE WANTED....**

Name: Hayley Simcox

Age: 21

Location: Dudley

Hi, welcome to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry: Hey people! I'm Hayley, 21 from Dudley. I model part time and host at various events (you could say I'm a busy girl) I take pride in what I do. I'm a very laid back, fun outgoing girl that loves spending time with family and friends. I love booking random trips away with the girls and party until I can't stand! Haha. An interesting fact about myself I was the youngest female blackbelt in the West Midlands aged 10.

How would you describe your style?

Varied! Somedays I don't make an effort and I'll tie my hair back with hardly any make up... Other days I love making the effort!

Photographer: Jack Russell

What was it like to work with the photographer on this shoot? Jack was very pleasant. It was my very first shoot with him and we got on like a house on fire! It was like we knew each other for ages :)

What was your favourite part of the shoot? The whole shoot itself (also the brownie cheesecake mmm).

Outside of modelling, do you have any other passions? Hmm I wouldn't say passions although I do wish I would have stuck doing Tae Kwon Do and being a martial arts instructor. I really do beat myself up about it!

Photographer: Jack Russell

So how can a guy impress you? He has to make me laugh, if he thinks he's gods gift that's a turn off for me.

What's a guaranteed turn on for you? A guy breathing deep in my ear then biting it, sends chills down my body!

Do you have any tattoos or piercings? No I'm a plain Jane I suppose, it makes me different from most girls that have them now right I guess?

WHAT'S THE WORST IDEA YOU HAVE EVER HAD? AGREEING TO BE FRIENDS WITH YOUR EX... NEVER WORKS!

**WHAT IS THE NAUGHTIEST THING YOU DO? ACTS
IN THE BEDROOM, BUT A LADY DOESN'T TELL ;)**

Photographer: Jack Russell

Are you a high heels or trainers girl?

Both to be honest, on a daily basis I wear trainers then on a night out I wear my heels.

Who would be your ideal housemate?

A girl that is like my sister. Can share things, have banter, have girly sleepovers and can keep up with me on a night out haha!

Beards - Yes or No? A bit of stubble does it for me, I love the whole rugged look.

If you could, what would you like to un-see? Every guy that I ever got involved with that cheated on me.

Finally, is there anything you would like to say to the Elite readers? Thanks for taking time to visiting my blog and looking at my pictures I appreciate it. If you like what you see follow me on *Twitter* guys @hayleysimcox xxx

Hi Charli, did you enjoy your shoot with Elite Online? I did indeed, I travelled upto Newcastle from Oxford, despite the five hour train journey each way it was totally worth it. We had great fun shooting!

There are 2 big things people would notice about you at first: loads of tattoos and your dress sense. How many tattoos have you got so far? I have a full sleeve and tattoo on my right shoulder, not loads of tattoos in my eyes. I've had over 23 hours worth of tattoos however.

Which one is your favourite? My sleeve is my favourite tattoo. I love how colourful and bold it is.

Getting any more soon? I'm currently planning out my other sleeve, expect it to be colourful and vibrant!

What do you look for in a guy? A gentleman. That's it :)

Who is your celebrity crush? I used to fancy the hell out of Tom Hardy, but I've recently gone off of him. Matthew McConaughey is next in line... He is truly man-tastic!

So do you prefer a night in arguing with teenagers from America over Xbox Live or do you like a good night out? I love doing both! I'm a very aggressive gamer and will always feel the urge to shout at people online. I also really enjoy going and having fun on a night out.

You're from Bicester (in Oxfordshire) what's the best place to drink near there? I never go out in Bicester or Oxford really, it's a fairly boring place to go out in. I used to go out a lot in London, Andover and Chelsea... Much more exciting places to be out in!

What is your favourite drink? Jager/ Jagerbombs.
